Informed Consent to Counseling

Welcome to Wise County Christian Counseling. Thank you for choosing me for your counseling needs. Starting counseling is a major decision and you may have many questions. This document is designed to inform you about agency policies and procedures as well as your rights, so that you can consent to treatment. If you have other questions or concerns, do not hesitate to ask me about them.

My name is Jana Bearden and I am a Texas State Licensed Professional Counselor. I hold a Bachelor degree from Baylor University and a Master of Science degree in Professional Counseling from Grand Canyon University.

Sessions will last approximately 45-50 minutes. Although sessions may be very personal, the relationship between you and I, and your child, is a professional one, rather than a social one. If I see you in public, I will protect your confidentiality by acknowledging you only if you approach me first.

Services are by appointment only and you are responsible for keeping your appointments and arriving on time. In the event that you cannot keep an appointment, it is your responsibility to call the office at least 24 hours in advance to cancel or reschedule. Cancellations made within the 24 hours prior to the session or no- showed, will be billed \$50.

You have the responsibility to notify me of any other ongoing mental health relationship. If you are seeing another mental health professional, then permission must first be granted by the first therapist to proceed with a secondary counseling relationship. During the course of this relationship, if you choose to seek counseling elsewhere, you have the responsibility to terminate this counseling relationship before being seen by another mental health professional.

Other options for counseling include talking with other professionals, your clergy person, or choosing to let the situation remain the same. If you have any complaints, please discuss them with me. If you are not satisfied with the resolution of the problem, you have the right to call the Consumer Complaint Hot Line at 1-800-942-5540.

We may utilize email or text as a means of communication, but it is important to understand the parameters of this medium. I will not engage in therapy over the Internet or through text. There may also be times where I receive, but do not respond to your email or text. I will respond if I believe it is appropriate and/or necessary. My lack of response does not indicate a lack of interest.

Any type of audio/visual recording is prohibited in counseling sessions.

Referrals: Should you or I believe that a referral is needed, I will provide some alternatives including programs and/or people who may be available to assist you. A verbal exploration of alternatives to counseling will also be made available upon request. You will be responsible for contacting and evaluating those referrals.

In the event that you have a mental health emergency, you may wish to call 911 or University Behavioral Health at (940) 320-8100.

Records and Confidentiality: All of our communication becomes part of the clinical record. Adult records are disposed of six years after the file is closed. Minor client records are disposed of six years

after the client's 18th birthday. In the case of my incapacitation or death, you would be contacted by one of my colleagues at Wise CCC, who would handle your records and care, as needed.

I will keep confidential anything you say to me with the following exceptions:

- (a) If you direct me to release your records
- (b) I have reason to believe you are a danger to yourself or others
- (c) In the case of billing or collection of fees
- (d) In the cases of abuse, neglect, or exploitation of a child or elderly adult
- (e) I am ordered/subpoenaed by a court to disclose information
- (f) I am otherwise required by law to disclose information
- (g) If you disclose sexual contact with another health professional

Staffing is a process within the counseling profession whereby cases are reviewed with professional, objective colleagues to ensure quality counseling. It is understood that this process may be utilized within the professionals at Wise CCC, in order to provide the highest quality services.

Fees: I am dedicated to providing counseling services to my clients knowing certain financial limitations exist. Because Wise CCC is a non-profit organization, I can set my fees at a lower rate. No family will be turned away because of lack of funds. This agency asks our clients to determine their fees by using a sliding scale. For every \$10,000 your household brings home per year, please consider paying \$10 per session, up to \$120. (Example: if your family brings home \$50,000 per year, please pay \$50 per session.) Checks, credit cards or cash will be accepted. Checks will be made payable to Wise County Christian Counseling.

Mrs. Bearden charges \$125 per hour for court appearances, depositions, and arbitrations, including related travel and preparation. If I am subpoenaed to court because of your case, then I will block out a 4 hour portion (unless I am notified that I will be required to stay longer) of my work day. If your hearing is rescheduled, it is your responsibility to notify me at least 48 business hours in advance, so that I may re-book those appointments. If you fail to notify me within the appropriate time frame, you will be billed for that block of time and your minimum court fee will not be refunded. I require the minimum court fee (\$500.00) 48 business hours in advance of the hearing, and any additional fees will be billed, and are expected to be paid, within 48 hours of the court appearance. You are responsible for any legal fees I incur as related to your case (litigation issues, lack of payment, etc.).

Please provide at least one emergency contact with whom you give permission for me to contact in case of intended harm or threat to self or others:
